The following applications have been granted pursuant to the Commission's processing procedures set forth in sections 63.12 and 63.20 of the Commission's rules. 47 CFR §§ 63.12, 63.20.

Unless otherwise noted, these grants authorize the applicants to: (1) become a facilities-based international common carrier subject to 47 CFR §§ 63.21, 63.22 and/or a resale-based international common carrier subject to 47 CFR §§ 63.21, 63.23; (2) assign or transfer control of international section 214 authority in accordance with 47 CFR § 63.24.

THIS PUBLIC NOTICE SERVES AS EACH NEWLY AUTHORIZED CARRIER'S SECTION 214 CERTIFICATE. It contains general and specific conditions, which are set forth below. Newly authorized carriers should carefully review the terms and conditions of their authorizations. Failure to comply with general or specific conditions of an authorization, or with other relevant Commission rules and policies, could result in fines and forfeitures.

On August 2, 2024, Conterra Ultra Broadband, LLC (CUB), Network USA, LLC (Network USA), and Detel Wireless, LLC (Detel) (together, Licensees) filed a letter pursuant to section 1.5004(f) of the Commission's rules, 47 CFR § 1.5004(f), notifying the Commission that they are out of compliance with their current foreign ownership ruling (ISP-PDR-20200728-00006) (1.5004(f) Letter). On August 9, 2024, the Licensees and Conterra Ultra Broadband Holdings Inc. (CUB Holdings) (together with Licensees, Petitioners) filed a petition for a new declaratory ruling (Petition), pursuant to section 310(b)(4) of the Communications Act of 1934, as amended (the Act), 47 U.S.C. § 310(b)(4), and section 1.5000(a)(1) of the Commission's rules, 47 CFR § 1.5000(a)(1), requesting that the Commission find that it would serve the public interest to approve the indirect foreign equity and voting interests in CUB Holdings, controlling U.S. parent of the Licensees. On November 26, 2024, Petitioners filed a supplement providing updated foreign ownership information and replacing Exhibits A, C, and D of the Petition. The Licensees hold common carrier point-to-point microwave licenses; CUB holds 463 licenses, Network USA holds 5, and Detel holds 7.

CUB Holdings, a Delaware entity, wholly owns the Licensees. CUB Holdings is wholly owned by CUB SPV I, LLC, which in turn is wholly owned by CUB SPV II, LLC, both Delaware limited liability companies. CUB SPV II, LLC, is wholly owned by CUB SPV III, LLC, a Delaware limited liability company, which in turn is wholly owned by CUB Parent Inc. (CUB Parent), a Delaware corporation.

2021 Declaratory Ruling

On May 7, 2021, the Commission granted a foreign ownership declaratory ruling to permit foreign investment in CUB Holdings above the 25% benchmarks in section 310(b)(4) of the Act and section 1.5000(a)(1) of the Commission's rules (2021 Declaratory Ruling). Application Granted for the Transfer of Control of Conterra Ultra Broadband, LLC, Network USA, LLC, Detel Wireless, LLC, Broadplex, LLC, and Tim Ron Enterprises, LLC d/b/a Network Communications, WC Docket No. 20-240, Public Notice 36 FCC Rcd 8268 (WCB/ WTB/ IB) (2021 Grant PN). The 2021 Declaratory Ruling authorized 100% aggregate indirect foreign ownership of CUB Holdings as the controlling U.S. parent of the Licensees and granted specific and advance approval to certain foreign individuals and foreign organized entities. The 2021 Declaratory Ruling was conditioned on compliance with the commitments and undertakings set out in a Letter of Agreement from Shane Turley, Executive Vice President and General Counsel, CUB Parent, Inc., Conterra Broadband Holdings, Inc., Network USA, LLC, Detel Wireless LLC, BroadPlex, LLC, and Tim Ron Enterprise, LLC d/b/a Network Communications, to Chief, Foreign Investment Review Section (FIRS) and Deputy Chief, Compliance and Enforcement (FIRS), on behalf of the Assistant Attorney General for National Security, United States Department of Justice National Security Division (dated Mar. 23, 2021) (2021 LOA). 2021 Grant PN, 36 FCC Rcd at 8269, 8272-73, 8277.

Desjardins Divestiture

The 2021 Declaratory ruling provided specific approval and advance approval for, among other individuals and entities, Desjardins Financial Holding Inc., Federation de caisses Desjardins du Québec, Desjardins Group (collectively, Desjardins Entities) and Fiera Capital Corporation (Fiera Capital). In the 1.5004(f) Letter, the Licensees notified the Commission that on June 21, 2024, certain senior management and board members of Fiera Capital acquired all the indirect voting interests held in the Licensees by the Desjardins Entities (the Desjardins Divestiture). Letter from Tamar E. Finn, Danelle Burt, counsel for Conterra Broadband Ultra Broadband LLC, Network USA, LLC, and Detel Wireless, LLC, to Marlene H. Dortch, FCC (Aug. 2, 2024) (filed in ICFS File No. ISP-PDR-20200728-00006) (1.5004(f) Letter). As a result of the Desjardins Divestiture, two new Canadian entities - 16121136 Canada Inc. and Exec Investments L.P. - became subject to the specific approval requirements in section 1.5001(i) of the Commission's rules. 47 CFR § 1.5001(i). According to the 1.5004(f) Letter, the two new entities are controlled by senior management of Fiera Capital, an entity that received specific approval to hold 100% of the voting interests in CUB Holdings and Licensees in the 2021 Declaratory Ruling. The Petitioners filed the Petition to request specific approval for 16121136 Canada Inc. and Exec Investments L.P., the foreign-organized entities that obtained minority indirect equity and voting interests in Licensees in connection with the Desjardins Divestiture. In addition, the Petitioners seek specific approval for the foreign investors previously approved in the 2021 Declaratory Ruling. The Petitioners are also seeking advance approval for certain foreign-organized entities and foreign individuals.

Current Ownership of CUB Holdings and the Licensees

CUB Parent is owned by EagleCrest CUB LP (EagleCrest CUB), a Delaware limited partnership (35.51% equity and voting); Draden Investors, LLC (APG US), a Delaware limited liability company (49.99% equity and voting); and EagleCrest CUB Co-Investment LP (EagleCrest CUB Co-Invest), a Canadian limited partnership (13.31% equity and voting). The remaining 1.28% equity and voting interests in CUB Parent is held by management personnel of CUB Holdings. EagleCrest CUB GP Inc. (EagleCrest CUB GP), a Delaware corporation, is the general partner of both EagleCrest CUB LP and EagleCrest CUB Co-Investment LP. EagleCrest CUB GP, in its role as general partner of EagleCrest CUB LP and EagleCrest CUB Co-Invest, exercises negative control over CUB Parent. As an insulated limited partner, EagleCrest Infrastructure Canada holds a 58.47% limited partnership interest in EagleCrest Portfolio and holds a 1% limited partnership interest in EagleCrest CUB LP. Fiera Infra GP Inc. (Fiera Infra GP), a Canada corporation, is the general partner of both EagleCrest Infrastructure Canada (0.1% equity, 100% voting) and EagleCrest Portfolio (0% equity, 100% voting). EagleCrest Infrastructure Canada is owned by Fiera Global Infrastructure Fund, a trust organized in Canada, and Fiera Infra GP. Petitioners state that Fiera Infrastructure Fund changed its name to Fiera Global Infrastructure Fund on December 31, 2021. According to the Petition, over 1,000 investors hold the equity interests in Fiera Global Infrastructure Fund, none of which have 10% or greater interests in CUB Parent, and 100% of the voting interests are held by Fiera Capital Corporation, a corporation organized in Canada. The Petitioners further state that Fiera Global Infrastructure Fund is a passive investor, with no role in the operations or management of any downstream entity, including CUB Parent and the Licensees.

EagleCrest Infrastructure Luxembourg is owned by (1) EagleCrest Infrastructure GP S.A.R.L. (EagleCrest Infra Luxembourg), Luxembourg entity (0.01% equity, 100% voting) and (2) Ingka Investments Financial Assets Dublin Limited (Ingka Dublin) (36.66% equity and voting). As an insulated limited partner, EagleCrest Infra Luxembourg holds a 41.53% limited partnership interest in EagleCrest Portfolio, and a 1% limited partnership interest in EagleCrest CUB LP. According to the Petitioners, EagleCrest Infra Luxembourg has no role in the management or control of any entity other than EagleCrest Infrastructure Luxembourg. Ingka Dublin is wholly owned by Ingka Investments Financial Assets Ireland Limited, an entity organized in Ireland, which in turn is owned wholly by Ingka Investments B.V. (Ingka Investments), an entity organized in the Netherlands. Ingka Investments is wholly owned by Ingka Pro Holdings B.V., a corporation organized in the Netherlands, which in turn is wholly owned by Ingka Holding B.V. (Ingka Holding), also a corporation organized in the Netherlands. Ingka Holding is wholly owned by Stichting Ingka Foundation, a charitable organization organized in the Netherlands.

Fiera Infrastructure Inc. (Fiera Infra), a corporation organized in Canada, wholly owns EagleCrest Infra Luxembourg (100% equity and voting) and Fiera Infra GP (100% equity and voting). Fiera Infra is owned by (1) Fiera Capital Corporation (Fiera Capital), a corporation organized in Canada (75% equity and voting) and (2) Aquila Management Holdco Inc. (Aquila), a corporation organized in Canada (25% equity and voting). According to the Petition, Fiera Capital has voting control over, but does not directly manage, the downstream entities that exercise negative voting control over CUB Parent and the Licensees. Aquila is wholly owned by 2597065 Ontario Inc., a corporation organized in Canada (100% equity and voting), which in turn is wholly owned by Alina Osorio, a Canadian citizen (100% equity and voting).

According to the Petition, Fiera Capital L.P. (Fiera LP), a limited partnership organized in Canada, holds 100% of the Class B shares of Fiera Capital, which entitles it to elect two-thirds of the Fiera Capital Board. Fiera LP also holds 3% of the Class A shares (20.6% equity, 100% voting). The interest holders of Fiera LP are: Fiera International Inc. (Fiera International) (12.5% equity and voting) (Canada); Exec Investments L.P. (Exec Investments) (12.5% equity and voting) (Canada); Fiera Holdings Inc. (Fiera Holdings) (47.9% equity, 100% voting as the general partner) (Canada); DJM Capital Inc. (1.3% equity and voting); Libermon Inc. (4.5% equity and voting). The remaining 21.3% of the equity and voting interests are held by other unit-holders, none with 10% or greater interest in CUB Parent.

According to the Petition, the changes described in the Petition do not change the aggregate amount of foreign ownership of Petitioners, and CUB Holdings, the controlling U.S. parent of Licensees, will still have an aggregate foreign equity and voting interest of 100%.

Specific and Advance approval requests

Pursuant to section 1.5001(i) of the Commission's rules, the Petitioners request that the Commission specifically approve the indirect foreign equity and voting interests in the Licensees' controlling U.S. parent, CUB Holdings, by the following foreign-organized entities and individuals (individuals and entities previously approved by the Commission noted with an asterisk (*)):

Executive Branch Review

The Commission has discretion on whether to refer section 310(b) petitions for declaratory ruling to the relevant Executive Branch agencies (Agencies) for their views on any national security, law enforcement, foreign policy, or trade policy concerns related to the foreign ownership of the Petitioners. See Process Reform for Executive Branch Review of Certain FCC Applications and Petitions Involving Foreign Ownership, IB Docket 16-155, Report and Order, 35 FCC 10927, 10935-36, para. 24 (2020) (Executive Branch Review Order); 47 CFR § 1.40001. The Petitioners requested that the Commission use its discretion and not refer the Petition to the Agencies. They assert that the minor change in the indirect ownership of CUB Holdings due to the Desjardins Divestiture only resulted in a change in minority and non-controlling indirect interests, is not a significant change in foreign ownership or control, and raises no national security, law enforcement, foreign policy, or trade policy concerns. They noted that the new entities are controlled by senior management and board members of Fiera Capital, a foreign entity that has already been subjected to review by the Agencies and approved in the 2021 Declaratory Ruling. They stated that the Petitioners are subject to the commitments and undertakings set out in the 2021 LOA and requested that the Commission condition grant of the Petition on their continued compliance with the 2021 LOA. A copy of the 2021 LOA is publicly available and may be viewed on the FCC website through the International Communications Filing System (ICFS) by searching for ISP-PDR-20240809-00004 and accessing "Other filings related to this application" from the Document Viewing area.

We exercised our discretion and did not formally refer the Petition to the Executive Branch agencies. Although we did not formally refer the Petition, we provided a courtesy copy of the Public Notice to the Executive Branch agencies. See Executive Branch Review Order, 35 FCC Rcd at 10939, para 30,n. 81.

Foreign Ownership Ruling

We find that the public interest would not be served by prohibiting the foreign ownership of CUB Holdings, the controlling U.S. parent of Licensees, in excess of the 25% benchmarks in section 310(b)(4) of the Act. We, therefore, grant the Petition subject to the conditions set out herein.

This declaratory ruling authorizes 100% direct and/or indirect aggregate foreign ownership of CUB Holdings, the controlling U.S. parent of Licensees, subject to the terms and conditions set forth in section 1.5004 of the Commission's rules, 47 CFR § 1.5004, including the requirement to obtain Commission approval before foreign ownership of CUB Holdings exceeds the terms and conditions of this declaratory ruling.

Pursuant to section 1.5001(i) of the Commission's rules, we grant Petitioners' request to permit the above listed foreign individuals and foreign entities to hold indirect equity and/or voting interests in CUB Holdings, the controlling U.S. parent of Licensees, in the amounts specified above. In addition, pursuant to section 1.5001(k)(1) of the Commission's rules, this declaratory ruling also grants advance approval for the controlling foreign interest holders requesting specific approval to increase their interests in CUB Holdings up to a controlling 100% equity and voting interests. Further, pursuant to section 1.5001(k)(2) of the Commission's rules, this declaratory ruling also grants advance approval for the non-controlling foreign interest holders requesting specific approval to increase their interests in CUB Holdings up to a non-controlling 49.99%

—equity and voting interest.

We grant the Petitioners' request and condition grant of the Petition on compliance by Conterra Ultra Broadband, LLC, Network USA, LLC, Detel Wireless, LLC and Conterra Ultra Broadband Holdings Inc. with the commitments and undertakings set forth in the 2021 LOA. A copy of the 2021 LOA is publicly available and may be viewed on the FCC website through the International Communications Filing System (ICFS) by searching for ISP-PDR-20240809-00004 and accessing "Other filings related to this application" from the Document Viewing area.

CUB Holdings has an affirmative duty to monitor its foreign equity and voting interests, calculate these interests consistent with the principles enunciated by the Commission, including the standards and criteria set forth in sections 1.5002 through 1.5003 of the Commission's rules, and otherwise ensure continuing compliance with the provisions of section 310(b) of the Act. 47 CFR §§ 1.5002-1.5003; 47 CFR § 1.5004, Note to paragraph (a).

A failure to comply and/or remain in compliance with a condition of this authorization shall constitute grounds for declaring the authorization and the underlying licenses terminated without further action on the part of the Commission. Failure to meet a condition of this declaratory ruling may also result in monetary sanctions or other enforcement action by the Commission.

Grant of this declaratory ruling is without prejudice to the Commission's action on any other related pending application(s).
